Self Help Groups

Promotion of Warli art

We work on the model of positive health, which is not mere absence of disease but a vibrant sense of well-being. This has led to a realization that a hungry person cannot be helped by medicines alone, however powerful. He needs work and his denuded land needs the healing touch of Organic Farming. The Trust has Organic Farming initiative, Sustainable livelihood programmes and Self Help Groups to improve the economic health of people. The Trust works with schools to enhance the education level in Bhopoli and Palghar.

The Centre of Excellence In Homoeopathy [CoE]

The Centre of Excellence in Homoeopathy at Palghar, recognized by Ministry of AYUSH, Govt of India, is a feather in MLDT's cap. The Trust now operates CoE for Psychiatry, Pulmonary Medicine, Clinical Research and Medical Informatics

ACTIVITIES OF THE CoE:

Specialized OPDs for

- Neuropsychiatric Patients
- Alcohol de-addictions
- Patients with respiratory disorders (including children)
- Rehabilitation Centre for children with special needs, autism and learning disabilities
- Initiatives in Positive Health through holistic interventions like Yoga and Meditation

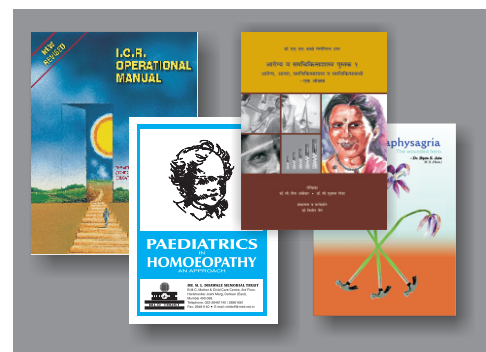

Research Projects

- Anaemia during pregnancy, COPD, Infertility, Vitiligo, Malnutrition and hypothyroidism
- Initiated the Homoeopathic Management Information system in all hospitals

Palghar Rotary Dialysis Centre - The first of its kind in the Palghar district, with the kind support from Rotary club of Palghar and kind donors we could serve more than 3000 needy patients a year.
