

Health talk with school children

Training hall

The training centre

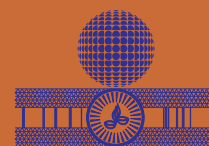

Unique Opportunity to teach and learn the scope of Homoeopathy at the grassroots

Dr M. L. Dhawale Memorial Trust brings you a unique training center at Bhopoli - a tribal village in Palghar district in Maharashtra. Located 9 kms off the Mumbai-Ahmedabad highway on the way to Vikramgad. Free from the hustle and bustle of city life, Bhopoli is peaceful, calm, full of greenery where one can breathe fresh air. The center is ideal for community health training, school health projects, rural health initiatives, workshops, learning organic farming, warli art, among others.

It provides all the support and infrastructure required for larger group training with accommodation facility.
