

DETAILS ABOUT CME, SEMINARS –

MKSHMC has since inception implemented Integrated Medical Education program for the students. Module wise curriculum and its culmination in a Seminar by students under supervision has been the hallmark of the College. The Academic council has been working continuously to plan the curriculum and seminars from the 1st BHMS to 4th BHMS students.

The seminars on IME are being conducted every 4 months for all the years. This helps students to understand practical aspect of Homoeopathy in a better way.

From 24-26th June-2012, **Department of Organon of MKSHMC and MLDMHI** with support of Homoeopathic Education and Charitable Trust- Vadodara planned a 3-day residential workshop on the topic of **“The Second Prescription”** where all the 3rd BHMS & 4th BHMS students with all the faculties of both UG & PG colleges participated actively. Total 150 participants from Gujarat & Maharashtra attended.
